

JUXTAPOZ

ANDREW SCHOULTZ MURAL PROGRESS IN LOS ANGELES

Wednesday September 12, 2012

The highly talented painter and good friend of Juxtapoz, Andrew Schoutz, has been sweating in the Los Angeles heat as he paints the brick wall exterior of Mark Moore Gallery. Schoutz began painting the mural yesterday in what will be his first public art mural in Los Angeles. We will be following the progress and keep you updated as the mural develops.
