

GALLERY OPENING: ALLISON SCHULNIK AT MARK MOORE GALLERY

SATURDAY, MAY 26TH, 6PM-8PM

May 24th, 2012 Author : LACANVAS

SALTY AIR is LA painter and video artist Allison Schulnik's third solo show with Mark Moore Gallery, where viewers have become accustomed to being surprised by her narrative and emotional bravery, forcible commingling of figures and rough-trade abstraction, and sly sense of humor. Her new show will not disappoint, as she presents a take on the classic sailor's tale that runs the gamut from naked sea sirens to hard shell crabs and just a hint of Hemingway and dark rum around the edges.
