6. Allison Schulnik

Allison Schulnik will screen her most recent work at the festival, followed by a musical set by Austin Paul. Schulnik creatively blends film with sculpted art and painted scenes in order to create a visual spectacle that will leave you wanting more. The images in *Mound* (2011) might appear strange at first, but you can't help but form a connection with the moving clay creatures and feel their complex emotions. Schulnik's work will screen at Miami Light Project this Saturday, October 5, from 5 to 6 p.m. in a free show.
